# WELCOME TO THE SHOW!

We are so grateful that you have joined us for the AIM Dance Studio recital. This performance is a great opportunity for our dancers to show their growth throughout the year. I want all of the students to know how proud I am of all their hard work. I cannot wait to watch everyone be a star on stage today!

## Audience Etiquette:

- Please silence or turn off all electronic devices.
- Photography and videotaping is not allowed. It is HIGHLY distracting to our performers! A digital copy of photos and video from the show will be provided to all AIM families so you will have professional quality memories of the weekend!
- Please stay seated during each groups performance and only move around between numbers.
- Applaud loudly for all to let our dancers know how fabulous they are!

Thank you for trusting AIM Dance Studio with your child's dance education and giving us the opportunity to share our passion with them! I hope I have instilled in your dancer a love of dance! A very special thank you to ALL the dance families who have supported the studio this year and made yet another year amazing!

Now sit back, relax and enjoy the show!

*miss sky*

# THE ONE WHERE THEY GRADUATE!

## KEYLY JARRETT

Hi, I am Keyly Jarrett and I am a senior at Goodland High school. I will be going to Colby Community College next year for animal science. I will then transfer to Oklahoma Panhandle State University to study animal nutrition. Dancing throughout all of my fifteen years has taught me a lot. It has taught me that it is a true talent and hard work and dedication is what makes you great. Looking back at these past fifteen years has made me think about how much dance has actually played such a big role in my life. I would not change any of it for the world. I hope you guys enjoy the show and thank you all for coming!

## CHELSEY KNITIG

Chelsey Knitig is a senior at Goodland High School, and will be graduating in May. She has enjoyed her high school career with success both academically and athletically. Chelsey is a member of the National Honor Society and is tied for second as class salutatorian. Since the age of three, Chelsey has enjoyed dance and her dance family. Her love for dance will always be with her. After graduation, Chelsey will be attending Northwest Tech to pursue her career in Engineering & Drafting Technology.

# THE ONE WHERE THEY GRADUATE!

## ANNIKA LININ

Hi, my name is Annika Linin and I will be graduating from Goodland High School this spring. I plan to attend Mid-America Nazarene University and major in Elementary Education. I enjoy singing, dancing, and working with children. I have been dancing for fifteen years now and have also been in many musicals including The Little Mermaid (Ariel), You're a Good Man Charlie Brown (Sally Brown), Alice in Wonderland Jr. (Alice), Little Shop of Horrors (Chorus), Shrek (Young Fiona), and Guys and Dolls (Chorus). I have lived in Goodland all my life and am so thankful for the supportive community and all they have done for me. I hope you enjoy the show!

## ALEXIS WYNN

I have been dancing for fourteen years, and the memories and friendships I have made are something I will never forget. Dance has helped shape me into the person I am and taught me many valuable lessons, not only about dance but about life. I'm grateful for all the experiences dance has given me and the people I've shared them with. To my family, instructors, community, and all of the people who have supported me, I cannot thank you enough for pushing me and encouraging me to be the best person I can be. Next year I'm planning on attending FHSU and majoring in Psychology. Although I'm sad this is my last recital and this chapter of my life is coming to an end, I couldn't be more excited to see what the future will bring!

# THANK YOU

A special thanks to our team of recital volunteers – backstage crew, stage crew, sound & light technicians, and everyone else involved – we could not have a successful show without you!

To our team of photographers and videographers, thank you for helping to capture the memories we are making this weekend!

To my incredible husband Chris, you continue to be the best dance dad, stage manager, and partner I could ever ask for. Thank you for all your love and support!

To my fabulous co-teacher Hannah, thank you for sharing your talents and amazing choreography. I am so grateful for everything you do!

To my staff: Alexis, Brittney & Angela, thank you for everything you do for me and our dancers. This show would not be possible without your hard work and endless efforts!

To my family and friends who do so much behind the scenes: You are the studio shoppers, proofreaders, seamstresses, blingers, planners and gurus who make it all possible!

To the dance parents and families, thank you for the support you continue to show your dancers and our studio!

And most importantly, thank you to our dancers! I continue to be impressed by your dedication to our sport, your positive attitudes, and the amazing talents you show from working hard and always showing up. I am so proud of you all and can't wait to watch you shine on stage this weekend!

Love, Miss Sky
